ABOUT ME

I'm finishing my Bachelor's degree in Informatics Engineering on February 2025 at Universidade de Coimbra (FCTUC), with special interest at software engineering. During my bachelor's I have developed solid skills at programming in python, C, C++ and java. Once i finish my bachelor's degree, I have immediate availability to start doing an internship, with the objective to put into practice the skills that I have learned, so that I can take a master's degree to specialize my knowledge.
